PRIVATE GUARDIANS FUND UMBRELLA TRUST

What is the Private Guardians Fund Umbrella Trust?

We offer a safe and reliable way for your beneficiaries to receive the benefit from your life policy; the fund is a better option for financial stability for all beneficiaries under the age of 26.

How The Private Guardians Fund Umbrella Trust benefits you

1. You choose the Fund as the Payout Option

Life policies pay out in different ways and a Lump Sum payout depletes far quicker than people expect.

2. You nominate your dependants as beneficiaries of your policy

Your beneficiaries are the people who are most affected by your death, like your children, or anyone that relies on your income.

3. In the event of your death the Fund will pay out to your beneficiaries

The Fund is a legal unbiased entity that takes care of your payout. A third party that is legally bound to carry out the instructions set out by you.

4. Your beneficiaries receive a selected payout amount per month

The fund ensures that your beneficiaries receive a monthly payment for long-term financial stability.

5. Your beneficiaries are taken care of financially after your death

Peace of mind for you and your loved ones. This monthly stipend pays for anything such as education, maintenance, well-being and advancement.
